## Dorothy E. Eyberg

As a county Extension staff person in the 1950's-on for many years, I had occasion to phone Mary Ann's office, and she was the competent, kind, reassuring voice on the other end of the line. Mary Ann "took care of" many questions or referred them to the proper people.. Also had the pleasure of meeting her in person a few times. Sympathy to your family. Dorothy Bartleson Eyberg.

## Ronald Powers

I had the privilege of knowing Mary Ann from the time I began my Extension career in 1958 until I left Iowa State as Acting Director of University Extension in 1989. For more than 20 years we interacted on a daily basis. We continued to exchange Christmas greetings and family updates through this past Christmas. She will surely be missed by her many friends and remaining family members. We, my wife and I, considered her a dear friend. Ron and Myrna Powers.
