

Gregory Lee Thompson

July 21, 1953 - July 29, 2024

Gregory Thompson, 71, a lifelong resident of Nevada, Iowa passed away in his home of cardiac arrest on July 29, 2024. He was born in Nevada, IA to Harlan and Imogene (Halsted) Thompson where he grew up and graduated from Nevada High School in 1972. He spent his adult life working for Ames Computer Forms.

Greg loved gardening, riding his bicycle, driving on country roads and attending the Iowa State Fair. In recent weeks he enjoyed the 4th of July festivities in his hometown. He also attended the Story County Fair every day to see the 4-H exhibits and livestock as he had done for many years.

Our brother was preceded in death by his parents and younger brother, Winton Thompson. He is survived by William (Daphne) Thompson of Schenectady, NY, Camilla (William) Walker of Boulder, CO, Harlan "Butch" (Kris) Thompson of Knoxville, IA and Dennis (Atsani) Thompson of Chiang Mai, Thailand, as well as several nieces and nephews spread out across the United States.

Greg's remains will be interred in the family plot at the cemetery in Roland, IA. Plans are pending for a celebration of his life at a later date. The family appreciates condolences from all those who loved our brother and join us in mourning his loss.

Rasmusson-Ryan Funeral Home in Nevada is handling arrangements. Condolences may be shared with the family online at www.rasmussonfh.com.

Greg was a great family friend. He and my late husband, Mike Oxley were close. Greg was there for me when Mike passed in Jan. 2004. Enjoyed his company and visits, mostly at Snacktime. We'll miss him;

I would see Greg riding around town on his bicycle. He didn't live too far from me. Whenever I saw him downtown or when he was riding his bike I would say hello to him. He was a very nice guy. So sorry to hear that he has passed away. Prayers for him and his family.

Thoughts and prayers are with the families. We spoke with Greg Sunday night and so thankful that we did. He and Chris worked together for over 30 years. We will miss him dropping by on bike or in car. Our cooking "lessons" and trying to figure out his phone. He will always be our friend. RIP Greg... Chris and Jodi

We were sad to learn of Greg's passing. Greg holds a very special place in Foster family history. If it weren't for Greg helping my mother-in-law Phyllis with her groceries & things in her 90's, she wouldn't have been able to stay in her house. Greg's bike riding was impressive. God bless you & yours, Barb Foster (& Rod in spirit)

Christine&kids

Greg has been one of our neighbors for over a decade and like others have mentioned, a great one. Quick to help, comment on the weather, or talk with the kids. We enjoyed helping him as well when new technology had him stumped, he needed a helping hand in return, or if we needed a cookie taste tester. We'll miss seeing him each day and shooting the breeze with him. He loved all things Nevada had to offer: Cubs sports/events, supporting local business, or enjoying a bike ride around town. Rest easy, Greg. From all of us down the block: Christine, Abby, Jack and Mary (but especially our little dog Poppy, who he loved and vice versa).

Jen Meinhardt

He was a wonderful neighbor this past 6 years.

We lived across the street from Greg for the past 6 years. He was a wonderful neighbor! Sure will miss his daily greetings and his smiles/laughs from across street when we were outside playing with our toddler or when our teenager revved his truck up just to get a reaction. 10th street truly doesn't feel the same. Our Deepest Sympathy, Jen, Jared, Dillion, and Memphis ♥️🙏
