“ Sending my sincere sympathy. I just talked to her a few weeks ago and it's hard to believe I won't run in to her again with her winning smile. She was a sweet person and though it will be hard to not be able to talk to her, I know she will always be watching over you. The guidance and love she gave you will always be with you and even help you in the future, whenever you need it.

Love, prayers and heavenly strength,

Nancy Eischen

“ Sandy, Lon, and extended family,

My heartfelt sympathies to you all on the sudden loss of your beloved mom, grandma, etc.

I knew your mom from Mary Greeley's primetime health educational programs held weekly. She always had the wonderful smile like what it's in the great photo you have here.

So pleasant to visit with and she loved cruising too with you. I'll miss visiting with her.

When you are missing her the most, put on a video of her listening to her voice/laughter and watching her gestures/mannerisms. It really helps so much. MAKE COPIES and put the originals away so they don't get worn out.

It was so nice visiting with you both lately at Roland legion hall tenderloin supper. May God comfort you all now and in the days, months, and years ahead.
