“ Ira, Julia, and Jordan,
Is so difficult to fathom that somebody full of happiness and care for others can be taken away. We share your grief--deep into our hearts. Life must go on for the rest of us, but we will never forget.

“ Dearest Angel Jayne.....
I have loved you all of my life and have fond memories of our childhood, like your trampoline and juke box when my sisters and I would visit you in Iowa. Banging pots and pans on New Years Eve out in the middle of our street when you, Jordan and Colleen visited us in Plantation, FL, and had party hats, punch and all the party favors! Do you remember teaching your cousin Kristen how to tube and waterskii when she was 11? haha
I love you dear Jayne and will miss you with us, but know God has you in HIS KINGDOM and will take good care of you.

To your beautiful family.... (Julia and Jordan I have your pic from Chritmas 2004- you were wearing purple) on my fridge and so have you in prayer... and Ira, Colleen, I wish you peace.....

You will always be in our hearts, dear cuz...

“ Hi Angel Jayne,
I so am wishing you were here with us, but I know God is taking good care of you in HIS Kingdom. I remember banging pots and pans on New Years Eve in Plantation with my sisters in the middle of the street and having party favors, including punch , hats, and snacks.
Also, you taught me how to go tubing and waterskiing in Wisconsin at Uncle Bob and Marilyns.

I love you my beautiful CuZ!!!! xoxoxoxoxo
....and I will always

“ Jayne was always so much fun. Whether it was talking about Hard Rock pins, the trips the family would take, her comments on Facebook about her favorite teams, or about the duckies I would ship to the kids. Her passing is a shock, tho I can't help but feel blessed to have known her.

“ Dear Jayne

you've left us too soon
i'll always remember your lively nature
the healthy attitude toward our love of the bridge table
that you took winning or losing with great grace
and recognized that, as serious as bridge might be
in the end, it is just a game

healing peace to all who are close to you
and will miss you more terribly than those of us from afar

“ I am so sorry to hear of your loss. I got to know Jayne as a wonderful mother to Jordan when he attended kindergarten at Roosevelt Elementary. Then she and the kids visited Mrs. Block's class after their trip to Australia at Willson-Beardshear. She was always so lovely and will certainly be missed.
