“ I remember Pat through much of my early years. Wherever I saw her whether in church, on the street or at her work at City Hall, she was always cheerful and easy to be around. It was especially nice through the years that I worked in town and needed information about local requirements to know that if I contacted or went to city hall, Pat would first be pleasant to be around and would either know the answer offhand or be diligent about finding the answer quickly. She was a marvelous example of someone who was a credit to their family and a wonderful citizen of their community. She and Gene raised some wonderful kids that in their turn, became great parents, and contributing citizens. Those kids raised grandkids that are examples of the best in citizenship and are being great parents in their own right. Some of us believe that the best legacies are large monetary endowments. I believe that the really best legacies are heirs that are a credit to their family, their church, their town, and their country. Pat and Gene left that legacy. Larry Reisetter

“ Dear Gail, Kim, and Bruce, sorry to hear about your mom's passing. Been thinking about the great times we had as kids and the family gettogethers so much fun and great memories. I will always remember how Aunt Patty took such good care of our grandmother, she was a great comfort to grandma. You will all be in my thoughts and prayers. Your cousin Margaret Twedt Darner

“ We send our sympathy and prayers to Pattys family. . We are sorry we can't be at the services on Monday, but our prayers will be. Dave is just out of the hospital again for the second time in a little over a week dealing with his cancer. He also has a hopeful lung tapping doctor appointment on Monday as well. May your many years of great memories ease your sorrow and know she is now whole and with your Dad and others. May God wrap His arms around you all. Cousins Dave and Becky Kepler

“ Our thoughts and prayers are with you at this time. There are lots of great memories with the Twedt family. The 4th of July celebrations years ago were the best! Pat was a wonderful lady. Always a smile on her face and an infectious laugh! She shared the same birthday as our Dad and he loved working with her while he was Mayor. She

will be missed.
