The picture you chose of Carrol displays the smile in my memory. Pauline, I am so sorry for what you and your family are going through. Your "act of kindness" memorial is a great tribute to Carrol. I hope your happy memories help you through this terrible time. My Grandma had your wedding picture in her book. I always thought it looked like the perfect wedding. You were a beautiful bride. He was a great man he would always treat ed me like one of this own. That was the best time when he let me stay the summers with them. Going from a city girl to a farm girl for awhile was the best. I have great memories with everyone because of him He will be greatly missed. But we do have our memories that will help us get thought this. My love and prayers with the family.
