Pete, Karen, Steve, and family members, What a beautiful photo of Vi; that's the way I always think of her with that BIG smile on her face and such a joy to visit with over the 55-60 years I've known you both. I will never forget helping Vi clean house for confirmation for Karen; that night she/I had a softball game; I was pretty pooped after cleaning. I also think of your family of ALL the rhubarb my late mom, Alice Tungesvik, got s. of your farm house!! I share your deep loss; Vi was such a remarkable and caring woman. Always enjoyed seeing her at Salem church for funerals, memorial day luncheon, etc. RIP VI; you left large footprints that no one will ever be able to fill. To your family, get out videos of your wife/mom/grandma when you are missing her the most! Nothing better than hearing their voices/laughter and watching their mannerisms/gestures. May God comfort you all now and in the days, months, and years together.
