“ I was saddened to hear of David's passing . I've known David for as long as I can recall . I knew your mother well , she would call me and ask me if I could give David rides to Ames when she could not --- these we're interesting !! :). I enjoyed the conversations --- the last time I saw David -- he was not well , but we has some great laughs ... I'm glad he's at peace now . My thoughts and prayers go out o your family

“ My son, J. Scott Firnhaber, befriended Dave in high school and they remained friends until Scott lost contact with him about 5-6 years ago. I'm so sorry to hear about his death. Dave used to call me often and we talked about his friendship with Scott and how he felt. I would like to know what happened to Dave so I could let Scott know. I'm so sorry for your loss and I will Scott know.
