So very sorry to hear of Shelia passing. Shelia was in my VFW Auxiliary Post. She had also come to a hockey game with me once. I only just saw her about a month ago. I gave her a ride home from Methodist Plaza. I know she was in pain, and I know now she is at peace. I am sorry I have to work and I am unable to come to her funeral this morning.

So sorry to hear of the loss of your sister, Marvin Because of her inquisitive nature she was the little girl we had to look for at many rural carrier conventions. She many times would seek me out to sit with her as she had so many funny things to tell me about. Sometimes they were rather scary and I would utter words of caution to her. But lots of laughs were shared with her and I always had a soft spot in my heart for her as I am sure of her difficulties she has suffered in her lifetime. Now she is at peace and God is good. My sympathy to you and your family.

We are so sorry to hear about Sheila's death. I remember babysitting her and her brother. Our parents remained good friends until their deaths. So many memories are filling my heart right now. We won't be able to attend the funeral, but please know you are in our thoughts and prayers. Please find comfort in knowing Sheila is now in Heaven with her Lord and Savior Jesus Christ!?
